THREE EAGLES AT HOME PRESENTS

THE WEEKEND SHARER

FAQS

Will there be a vegetarian option with the Eagles at Home Valentine's meal box?

Unfortunately not this time, due to popular demand for our sharer meal which is predominantly meat based.

How difficult will the meal be to prepare?

It'll be fun and fool-proof- we promise! Each meal box will come with a set of instructions on reheating #youcantmessthisup

Am I allowed to drive to Llangollen to collect this?

Please be mindful of the current restrictions in place in respect of COVID, as imposed by Welsh Government. Members of the public can continue to enter premises to access takeaway services and reasonable measures will be put in place to mitigate the risk of coronavirus spreading by ensuring that 2 metres distance is maintained between persons on the premises, as well as people waiting to enter the premises. For further information, visit <https://gov.wales>

What is the shelf life of The Weekend Sharer meal box?

The meal box has a minimum shelf life of 48 hours from point of delivery or collection. Storage instructions will also be included for each dish. This means, if you order for collection or delivery on the Friday, you can still enjoy your meal on the Sunday.

Do the meals have a full list of ingredients?

A full list of ingredients for each dish is listed on the menu on our website and on the menu card enclosed with your order. A list of allergens will also be enclosed with your order.

I would like to place an order but I am concerned about allergies, can you help?

You can use the section on the order form to let us know of your concerns in relation to any allergies or special dietary requirements. Please note, our food is prepared in a kitchen that uses nuts and other allergens.
